STATEMENT OF FACTS

On March 7, 2008, at approximately 6:00 AM Immigration and Customs Enforcement (ICE) Special Agents and members of the San Diego Internet Crimes Against Children Task Force (ICAC) executed a Federal Search Warrant for Child Pornography at 3140 Easy Street, San Diego, California, 92105. During the execution of the search warrant, law enforcement personnel encountered Jon M. BONA, primary resident of 3140 Easy Street. ICE Special Agents noticed, in plain view, sixteen individually wrapped packages, vials, and a vitamin container, all of which contained a white powdery substance, which subsequently field-tested positive for Cocaine. Based on the individual packaging, Special Agents believe BONA has the ability to easily distribute small quantities of Cocaine out of his residence. ICE Special Agents noticed, in plain view, numerous items known to be used as drug paraphernalia, including; glass bong, pipe, multiple grinders with white powdery residue, lighters, several cut straws with white powdery residue, burnt spoon with white powdery residue, wire mesh filtering material, and numerous Ziploc baggies with white powdery residue inside.

BONA was arrested and charged with violation of Title 21 USC 841(a)1 Possession With The Intent to Distribute, and was transported to MCC, San Diego, CA.
